

New Members

How to Become a Member of Faith Community Church

1. Attend the 3 classes that are required to become a new member

The 3 classes are:

Class 1 - Introduction to Faith Community Church

Class 2 - Grow 1: Meeting Christ

Class 3 - Membership Information

Each class is offered twice in the Fall, Winter and Spring. You need only to attend each class once. You do not need to take the 3 classes in order.

Read the weekly Newsletter and Sunday Program for class dates and times and register online at www.fcch.org/ccg-courses.

2. Apply for Membership

A Membership Application will be available to you at all 3 classes. When you've decided you would like to become a member, fill out the application in pen and return it to the church office. It will then be forwarded to the Elders for approval.

3. Attend the Right Hand of Fellowship

Once all 3 classes have been taken and the Membership Application has been approved, you must attend the Right Hand of Fellowship. This is a celebratory ceremony during Sunday services where you make a commitment to join the church.

Welcome to the Faith Community family!
